**From the North:**

Leave the M40 at Junction 9 and take the A34 southbound towards Oxford and Newbury. You will pass Oxford on your left and continue approximately 4 miles, past the Abingdon North exit. Ignore this and continue for two miles to the Marcham Interchange where you should exit and turn left onto the A415 for Abingdon. Cross over the first mini roundabout (keeping the Esso garage on the right), at the next roundabout take the second exit, immediately after the Police Station. After the pedestrian crossing turn right at the double mini roundabout into Drayton Road. At the next roundabout turn left into Caldecott Road. The Surgery is on the left, shortly after the third 'sleeping policeman'.

**From the East (M40):**

Leave the M40 at Junction 8 and take the A40 towards Oxford. Turn left at the Headington roundabout and stay on the Oxford Eastern By-Pass (A4142) till the South Hinksey roundabout at which you exit left onto the A34 Southbound towards Oxford and Newbury.

Continue approximately 4 miles, past the Abingdon North exit. Ignore this and continue for two miles to the Marcham Interchange where you should exit and turn left onto the A415 for Abingdon. Cross over the first mini roundabout (keeping the Esso garage on the right), at the next roundabout take the second exit, immediately after the Police Station. After the next pedestrian crossing turn right at the double mini roundabout into Drayton Road. At the next roundabout turn left into Caldecott Road. The Surgery is on the left, shortly after the third 'sleeping policeman'.

**From the South:**

Leave the M4 at Junction 13 and take the A34 Northbound towards Oxford. Exit the A34 at the Marcham Interchange and turn right onto the A415 for Abingdon.

Cross over the first mini roundabout (keeping the Esso garage on the right), at the next roundabout take the second exit, immediately after the Police Station.
